Lake Iseo and boutique wine estates

Island villages, intimate wineries and the design heritage of Lake Iseo.

Begin with a boat journey across Lake Iseo, taking in the lakeside villages, enjoy an excursion to **Monte Isola**, exploring its villages and waterfront on foot, with time for lunch at a local trattoria.

Continue into **Franciacorta** for a winery visit and tasting arranged in advance. A producer such as **Cavalleri** or **Arcari** e **Danesi** offers a possible introduction to these refined wines, whose natural second fermentation in the bottle and slow ageing on the lees develop delicate bubbles, depth and aromatic complexity.

For guests interested in Italian design and craftsmanship, a visit to the Riva shipyard and heritage gallery in **Sarnico** may be requested. Founded on Lake Iseo in 1842, the shipyard is the birthplace of a boating tradition whose distinctive wooden motorboats became enduring symbols of Italian elegance.
