

# Castello di Vicarello

A restored 12th-century castle in the Maremma countryside, Castello di Vicarello is a family-run retreat that blends historic charm, refined design, and authentic Tuscan hospitality in a setting of complete seclusion.

## ROOMS

Suites and villas at Castello di Vicarello are individually designed, combining original architectural elements with curated furnishings and a distinctive sense of character. Accommodation options include:

**Suites:** A collection of unique suites including Torre, Spa, Villa Chiesina, Mezzatorre, Sassi, Vicario, Sprone, Giardino, Levante, and Deluxe Grotta, each with its own identity, layout, and connection to the surrounding landscape.

**Villa La Vedetta:** offers independent living spaces, panoramic views, and a more secluded experience within the estate.

## AMENITIES

Castello di Vicarello offers experiences centered on nature, well-being, and the Tuscan lifestyle:

**Pools & Gardens:** Infinity pools and extensive grounds surrounded by olive groves, vineyards, and forests.

**Experiences:** Activities such as cooking classes, wine tastings, truffle hunting, hiking, biking, and creative workshops.

## DINING

Dining at Castello di Vicarello is based on a farm-to-table philosophy, celebrating organic ingredients and traditional Tuscan cuisine:

**Restaurant & Dining Experience:** Seasonal menus crafted from estate-grown produce, local meats, cheeses, and fresh seafood, served across different settings including terrace, courtyard, and indoor glass house.

**Breakfast:** Organic breakfast with homemade products, fresh bread, and ingredients sourced directly from the estate.
